

MU SERIES EXECUTIVE

MU 77

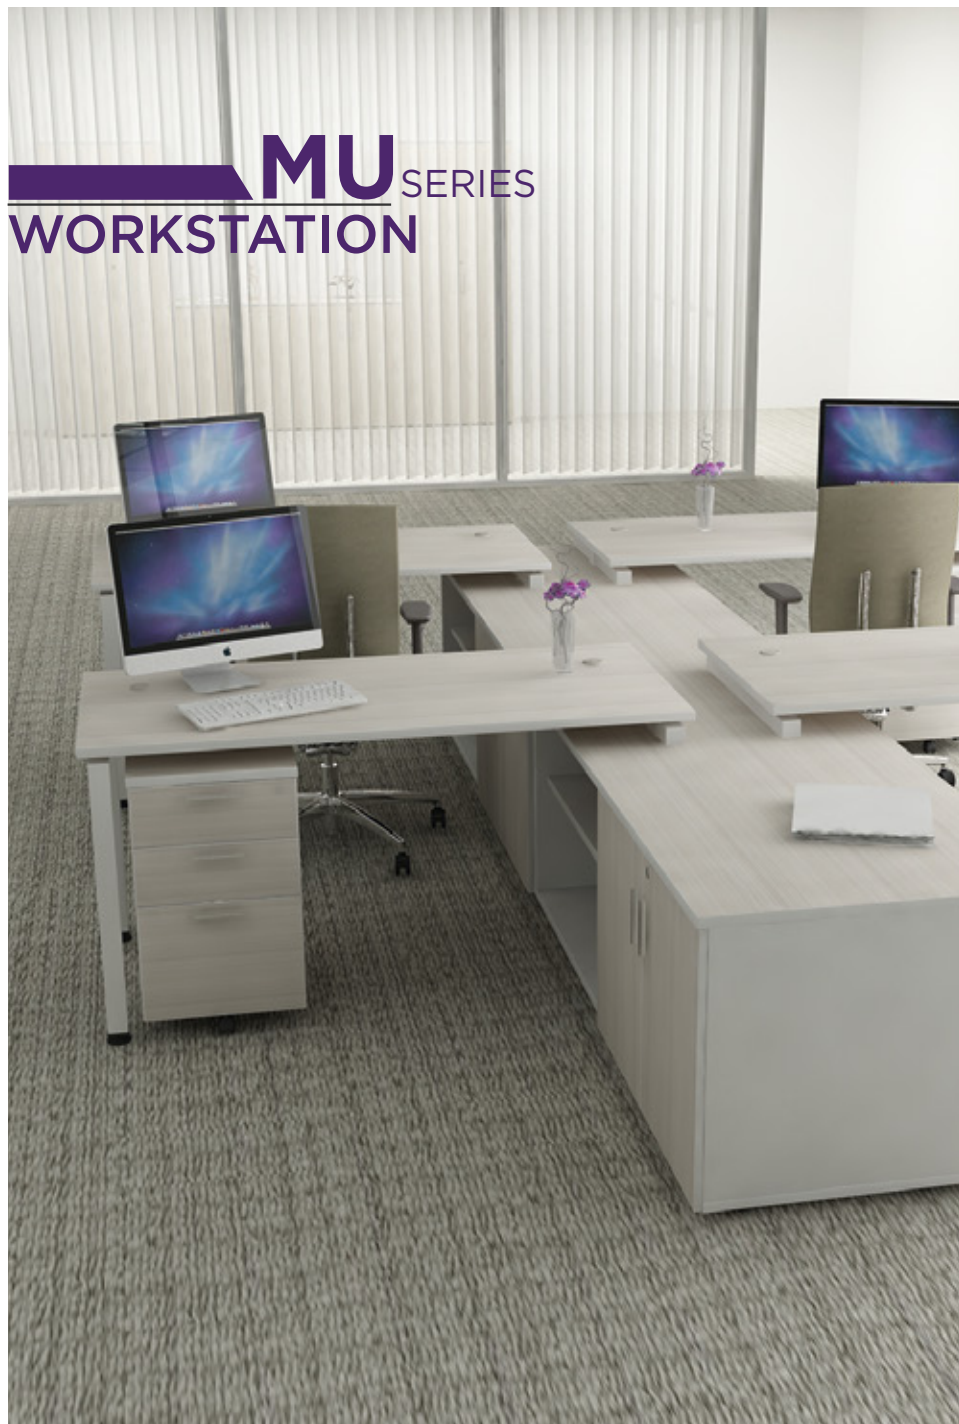

“ Rectangular free standing table combines with side return cabinet and drawer make a perfect combination. ”

Built with order and tidiness in mind, this elegant cabinet possesses several drawer compartments to store things not for immediate use away. A suitable series for the neat and orderly.

The finishing piece of the cabinet, this freestanding table maximizes convenience and comfort for the office worker. Long and sturdy, the desk and the cabinet both make up an essential set for the minimalistic and stylish office worker.

MU SERIES WORKSTATION

MU 2CA / MU 4CA

“ Rectangular table desking system make it easy to create a workspace for 2 and 4. ”

Snug and comfortable, yet minimalistic and functional, this working desk epitomizes the ideal workspace, from its broad tabletop suitable for housing multiple computers to its stylish wooden appearance.

Built with three drawers and completed with a white birch finishing, this drawer set complements the work desk with finesse. Built for sturdiness and style, the drawer set enhances neatness and utilizes organization by providing a place for all your bits and bobs to be stored away instead of cluttering your workspace.

MEETING

MU 24VT

“ Meeting table come with built in cable organizer for managing cable from mess.”

These table legs, like the table itself, is unique- they are built differently into the tabletop, leaving gaps between the top and the foundation.

This table, true to its practical nature, comes with a cable organizer- perfect for sorting out that cable jungle under your desk.
